The committee followed the county manager's lead to request an RFP for an architect who has done work for Swain County.

A. Code of Ethics - Chair Carton requested that the board entertain discussion of the draft of the Code of Ethics for the Fontana Regional Library Board of Trustees as proposed. The distributed copy is a standard Code of Ethics used by many regional boards for the state of NC. Director Fitzmaurice explained that this draft was a library-specific version and again stated that it was used as written by multiple boards across the state. There is currently no Code of Ethics in place for the FRL Board. This document would be signed and re-affirmed annually. Discussion
points centered around the idea of personal vs. board decisions. Ed Trask suggested changing the wording to state that a disagreeing board member should not undermine the board's decision.
